

# FOR CHRISTMAS GIFTS

## Something Useful is the Thing to Give

### BOYS:

We have for boys that which will make an ideal Christmas gift—suits, overcoats, caps, shoes, sweaters and raincoats. Can you think of a more welcome gift than a raincoat? The wearer during the rainy days to come will think gratefully of you for the gift; prices from \$3 to \$15—cheap, isn't it, when you remember what a doctor's bill might be without it.

### MEN:

When trying to think of something for the men, come to us—we have splendid gloves, ties, sweaters, sox, hats, caps, canes, overcoats, raincoats, suits, work gloves, shoes, umbrellas, suit cases, handbags—and lots of things we can't mention.

A big line of the latest style caps and hats just in.
